

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 02 Jan ♃ ✖ ♀ 04:43 am CET Tran-Nat  09° ↗ 19'  
 This is a good time to find ways to implement your personal beliefs in a way that is practical, satisfying, and unobtrusive to others. No need to soapbox, just a quiet word or two will be enough to get the ball rolling. After an initial thrust, truth and conviction will carry the ball.
- 21 Jan ♃ Δ ♁ 10:14 am CET Tran-Tran  13° ↗ 38'  
 You are in a roughly yearlong period in which the world at large is, in the deepest sense of the word, coasting. There is a great faith that God is in his Heaven and all is right with the world, which is, as often as not, totally unfounded, a disillusionment often met the following year. But, for the moment, in the background all appears to be working smoothly, both economically and morally. This makes for profitable enough short-term actions, as long as you can pull out quickly. The real personal bonanza may be had by searching out the coming shift that changes everything and putting all your financial and moral assets on it.
- 11 Feb ♃ ♂ ♀ 11:34 pm CET Tran-Nat  18° ↗ 12'  
 Your brain teems with activity, too much to keep track of at times, so get what you can on paper for later consideration. Schemes may get larger than are manageable and need trimming later, so avoid implementation until you've done a careful critique -- then you will have your best in the best of form.
- 14 Feb ♀ Δ ♀ 06:36 am CET Tran-Nat  06° ↗ 34'  
 Much of your earliest and deepest convictions are finding exterior confirmation. If you didn't feel so good about it, you would be tempted to say "I told you so" to those that so thoroughly doubted before (including yourself at times). All reality passes, but this one tarries on for a while.
- 14 Feb ♃ ✖ ♃ 08:10 pm CET Tran-Nat  18° ↗ 47'  
 You will likely be feeling a good sense of inner pacing in which judgment balances easily with emotional inclination, so you can give just the right amount without overdoing or wasting emotional or psychic effort. A good time to judge relationships and the amount of inner effort you wish to commit.
- 22 Feb ♃ ♂ ♀ 06:16 am CET Tran-Nat  20° ↗ 13'  
 Real tangible personal gain may be expected, or at least some events that lead to it. A good time for cashing in on investments or pulling in receipts of any description. Similarly, investments may prove more favorable, but better to go for the bird in the hand when it is here for the taking.
- 20 Mar ♁ ✖ ♀ 02:33 am CET Tran-Nat  09° ♁ 19' R<sub>x</sub>  
 You may find that your fantasy life is seeing some external support, making this a good time to go gently out and try to make some dreams come true. Just sort of slip them into reality, don't push, and you may find they grow with a life of their own. Be willing to trim them to fit reality a bit and they'll blossom.
- 29 Mar ♃ ✖ ♁ 01:09 am CET Tran-Tran  25° ↗ 48'

It's a good time to invest in mutual discovery, where what you stumble on somehow perfectly dovetails with what just fell into your partner's lap. You don't need to push or pursue the far-out to go really way into yourselves, and you'll probably even have a little help from your friends, because right about now they're probably doing it, too. This can apply to the boardroom or the bedroom equally, as subtle inspiration and small "aha!" revelations snowball to give everyone a totally new view on an old subject and reinvigorate flagging energies and interests. The key to success: Be aboveboard, don't go overboard. Share what's given, expect the same.

Humanistic ideals and a belief that technology and social reform can create a utopia become powerful and inspiring images at this time. Personal and selfish concerns seem petty and ignorant - and all the more so if they are part of the status quo. Liberty, equality, fraternity: are they the ultimate answers or only the foundations for something that transcends them all?

02 May ☽ ✕ Asc 08:17 am CED Prog-Nat  28° 57'  
You can present yourself with confidence because what you have to do is backed by comfortable feelings; you project no discord to confuse others. When you say it, it's obvious you feel it as well. Your creativity and the excitement of new learning and fresh ideas show on your face -- no worry lines there.

08 May ☽ ♃ Mc 08:43 am CED Prog-Nat  29° 12'  
Your current emotional situation is not a good one on which to make career decisions, as your feelings will change but the results of the actions you take will not. It is easy to make rash moves that feel so right but whose percussions you will regret. Avoid getting swept up now so as not to get swept out later.

- 01 Jul ♃ ♂ ☉ 09:13 pm CED Arc-Nat  10° ♃ 06'  
The care with which you present yourself and your convictions makes you a heavyweight when you actually come down on one side or the other of an issue. You are not inclined to take things lightly, and now more so than ever. It's really not the situation you're so serious about, it's yourself and your relation to it.
- 06 Aug ♃ ♂ ♀ 08:58 am CED Tran-Nat  20° ♀ 13' R<sub>x</sub>

- 06 Sep ♃ △ ♀ 07:18 am CED Tran-Nat  18° ♀ 12'  
Clear, abundant logic is a steady force for you and will help you clarify others' situations as well as your own. Consistent output of ideas makes for reliable building-block analysis and good long-range planning. Opinions border on the sensible (but practical and workable) side of the conservative.
- 06 Sep ♃ □ ♃ 06:09 pm CED Tran-Nat  18° ♀ 16'  
You are undergoing something of a socialization crisis that occurs about once every 15 years, during which you must re-evaluate where you are being asked to fit in among those around you and decide if you're going to be a joiner, go it alone, or make some sort of compromise in your living style.

- 10 Sep ♃ ✖ ♃ 08:03 pm CED Tran-Nat  18° 47'
- An emotionally even period spins along for a while, in which you can absorb disturbances with relative aplomb by leaning on past experience. You avoid over-reaction but should also make it a point to avoid seeming too casually distant as well. Just rolling along life's path and coping without much problem!
- 20 Sep ♃ ✖ ♃ 04:05 am CED Tran-Nat  18° 47'

- 22 Sep ♃ ♁ ♀ 07:57 am CED Tran-Nat  20° 13'
- Now is the time for making long-term financial and emotional investments, as you are more than likely to get as much or even more than you bargained for. Take the opportunity to secure as much as you can so that you will have something spare when opportunities are rare. Hedge your bets!
- 10 Oct ♃ ♂ ♀ 10:36 pm CED Tran-Nat  20° 13'

- This rare (once in 45 years) aspect provides a background of a year or so when new advances in theoretical science occur which take a longtime proving, thanks to an often-intransigent scientific establishment. Relativity theory and chaos theory are two good examples; both took years to become thoroughly accepted and a part of the general consciousness. If you happen to know what they are, it probably profits you little, except you can tell your children you were there first, when they finally get hip to it. Nevertheless, it's worth looking around for, as the foundations for another wave of the future are being laid at

this very time, no small thing.

- 04 Dec ♃ ♀ Asc 07:20 pm CET Tran-Nat  28° ♀57'  
It may be especially hard to get yourself across by the usual amount of earnest self-presentation, so get someone else to do it instead. By focusing yourself on others, you stand to gain much more than by openly promoting yourself -- and as others will gain also, it's a policy that bears consideration.
- 09 Dec ♃ ☿ ♁ 07:12 pm CET Tran-Tran  00° ♁00'  
Respect, status, and achievement are central goals for you as a new phase begins in your life. Creating a structure to empower and maintain your ideals and principles becomes a high priority, an article of faith. By taking on greater responsibilities of this kind, you become an inspiration to others. Ambition unlimited always ends in defeat.
- 12 Dec ♀ △ ♀ 04:49 pm CET Tran-Nat  06° ♀34'

- 19 Dec ♃ ☿ ♃ 09:39 am CET Prog-Nat  08° ♀27'  
Don't be surprised if your heart is gaining a couple of sizes - this is one area in which you don't have to watch your weight. You're in an expansive mood in general, and your reaction is to wrap yourself around the situation and devour the whole enchilada. That, however, could involve some weight gain, so make sure your eyes aren't bigger than your stomach.
- 26 Dec ♃ ☐ ☿ 06:09 pm CET Tran-Nat  03° ♁44'  
Internal energies fly off the handle -- it becomes hard to focus the strength you need in the

appropriate measure. Over or under exertion is easy, causing you to waste precious resources. Concentration is the cure; have willful control over yourself -- easy to say, not so easy to accomplish.
